# KWL Research Chart

## Know

List facts that you already know in this column.  
When you *confirm* (or *find*) them in a resource, put a check mark next to them.

## Want to know

List your questions for research here. Add to this as you research.

## Learned

List answers to your questions here. You can also list new things you learn, but make sure to leave blanks next to the questions you haven't answered.
