

# Organize Everything with pearltrees.com

- Create a free account at [pearltrees.com](https://pearltrees.com) (if an educator, use the Educators link in the upper left to get your educator discount)
- Click the "+" and create a collection - title it anything you'd like (ie: web finds, classroom bulletin boards, etc).
- Optional: Click "Team Members" to share your collection and collaborate with others
- Create as many collections as you would like. Add files, upload posts from social media or your current Google Drive/Dropbox folders.
- Click the menu button (3 dots and 3 lines) in the upper left corner. In the "Tools" area, click on "web clipper" and download that to your toolbar.
- As you search the web and find things you'd like to keep, click on the web clipper icon and select the collection you'd like to use for storing your latest find.
