

# DIGITAL Time Capsule

A digital time capsule tells a story through a time capsule is a collection of memorabilia documenting a place, organization, events, or a family.

**You will create your own digital time capsule using the following information:**

## **A Photograph of Yourself (edited or not)**

- Taken with an iPad and directly linked to Google Drive or
- Taken with a digital camera and uploaded

## **Letter to Future Self with Today's Date**

- "Dear, Future Self..." Fill this in with questions about what you still enjoy or people in your life.

## **Personal Information**

- Favorites: Sports, Food, People, Music, Shows, Hobbies, Activities
- Pets, Family Members
- Age and Height
- Goals: What do you want your job to be? What would you like to do after high school?
- Stresses and Wishes: What do you stress about? What do you wish people knew about you?

## **Images of items that describe the time in which we currently live**

- Cell phones, games, bands, movies, shows, Youtube Channels, etc.
- What would you include in order to paint a picture of our current life?

**Add these items to a Google Slideshow or other presentation software.**
