

See, Think, Wonder: Instagram Edition

STEPS TO FACILITATE THE SEE, THINK, WONDER (Visual Analysis) STRATEGY:

- ★ Let students have time to silently observe the artwork.
- ★ You are only a facilitator! Ask:
 - What do you see?
 - What makes you think that?
 - What do you wonder/what questions do you have?
- ★ Distribute the template (Paper, digital)
- ★ Students complete individually, or switch with a partner to add to their observations.
- ★ Give the background of the artist/image, or leave it up to interpretation!

Remember that this can be used in any content area!
