

Create a Classroom at Home

Gather these Tech Tools:

Laptop/Tablet/Desktop/Phone - any device will work!

If using a phone, **get a tripod** like the JOBY GorillaPod

If using a tablet for broadcast OR as a document camera, get a Gooseneck Floor Stand.

Be sure to have strong internet access wherever you are.

Lighting Items:

Use a Diva Ring Light to help brighten your space.

If using a webcam, invest in the Logitech C920HD webcam for desktop or laptops.

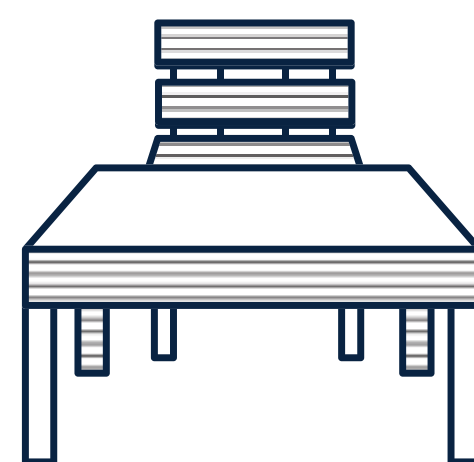

Supplies to Have On-Hand:

- Markers
- Construction Paper
- Sharpies
- Scissors
- Noisemaker like a bell, chime, drum, etc.

Walls & Organization:

- Whiteboards (large for wall and small for demos)
- Corkboard with Bulletin Board Paper
- Dry Erase Markers & Magnets
- Small desk/table/cubby and chair
