

MUSICAL C O D E S

NAME:

CLASS:

Key Vocabulary:

Code

Code Breaker

Cryptographer

Encryption

Directions: You will create a secret message using musical notation. Using the music notation code below, see if you can break the first two words. Then, create your own secret message using the same music notation code.

Source Code:

E *F* *G* *A* *B* *C* *D* *E*

Can you break these?

Try writing your own!
