

Colby Sharpe's Book List

WRITTEN BY COLBY

Through research and testimonials from voices in the field and their own classroom experiences, Miller and Sharp provide practical and resourceful information on a range of topics and areas, (including successful school and classroom libraries, the power of book ownership, the importance of cultural and social access to books, and meaningful family-community reading engagement) designed to help dramatically increase children's access to and life-changing engagement with books.

Colby Sharp invited more than forty authors and illustrators to provide story starters for each other; photos, drawings, poems, prose, or anything they could dream up. When they received their prompts, they responded by transforming these seeds into any form of creative work they wanted to share.

The result is a stunning collection of words, art, poetry, and stories by some of our most celebrated children book creators.
