

DATA SHEET

ARTS INTEGRATION & STEAM ACCELERATOR

The Accelerator Platform provides arts integration and STEAM curriculum, resources, and PD in one spot. This helps make your integration effort sustainable and scalable.

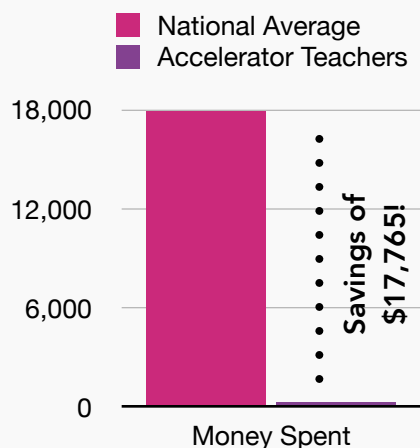

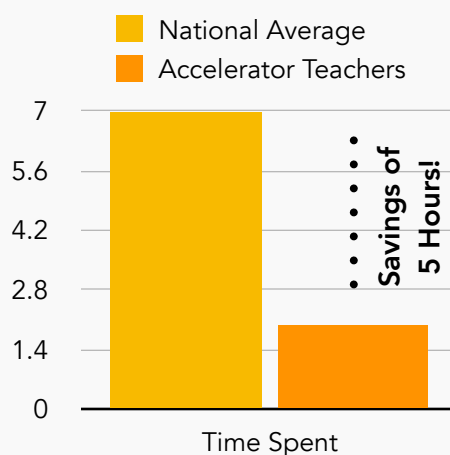

Here's some real-world numbers on how the Accelerator can save teachers, schools, and districts time and money:

Time Spent by Teachers Searching for Instructional Materials (per week)

National Average = 7 hours ([Source](#))

Accelerator Teachers = **Less than 2 hours**

TIME SAVED: 5 HOURS

Average Amount Spent on Teacher PD (per teacher, per year)

National Average - \$18,000 ([Source](#))

Accelerator Average - \$235

MONEY SAVED: \$17,765
