

# THE STEAM CAREER PIPELINE

## CULTIVATE INTEREST

01

Start by getting students excited about STEAM in the classroom.

## COLLABORATE

02

Find partners in your community who can showcase STEAM careers.

## SECURE ADVOCATES

03

Help all students see themselves in STEAM careers. This includes showing all genders and races in STEAM career roles.

## FIND MENTORS

04

Strong mentors who believe in you and your students offer encouragement and can open pathways.
