The IAS Arts Integration Certification Program is an online self-paced program with optional personalized coaching for educators who want to become Arts Integration Specialists. All enrollees get access to the entire program (includes 4 sprints) upon enrollment, may begin at any time, and have up to 3 years to complete. Should you prefer the guidance of a coach or the structure of having deadlines, you may also select to add personalized coaching to any or all sprints.

This certification program gives you the skills and tools you need to lead a successful school or district initiative for integrating the arts. We've already helped hundreds of educators and we'd be honored to work with you too.

Whether you want to become a national leader in using Arts Integration or the go-to person in your school/district for STEAM and Arts Integration, **this certification program will help you to:**
