

# *Celebrating* **BLACK ARTISTRY** THROUGH MUSIC

## CASTLE OF OUR SKINS

This renowned Black arts institution offers multimedia lessons, activities, and guides that seamlessly integrate music with history, social studies, and more. Celebrate Black heritage, amplify diverse voices, and spark cultural curiosity through music-driven learning.

## BOULANGER INITIATIVE

Championing women & marginalized composers, the Boulanger Initiative fights for inclusivity in music, elevates underrepresented voices, and dismantles discrimination through performances, education, and advocacy. Because every composer deserves to be heard regardless of gender, race, ethnicity, age, or ability.

## D-COMPOSED CHICAGO

This unique chamber music experience blends captivating performances with rich historical context, highlighting Black composers and musicians. Through interactive workshops and tailored curriculum resources, they make music a powerful lens for exploring history, fostering cultural understanding and celebrating Black artistry.

## MUSIC INCLUSION HUB

This collaboration between Boulanger Initiative, Castle of Our Skins, and D-Composed offers high-quality, diverse, and historically grounded materials to empower your students and transform your curriculum. Their multimedia toolkits & curriculum guides help to fuel interactive learning, sparking cultural awareness and celebrating diverse voices.
