

IN A WORLD WHERE...

Use this one-page storyboard to imagine your ideal world, then map out how to make it real.

DREAM

In a world where...

(What feels impossible right now, but is normal in your imagined world?)

Sketch or describe your world.

ADAPT

What must change for this world to exist?

(Systems, tools, mindsets, or resources, etc...)

List 2-3 key shifts.

THRIVE

How will this world sustain itself through challenges?

Write down your ideas.

BUILD YOUR BLUEPRINT

What's one step you can take this week to start making that world real?

I will...
